INTRO

From weddings and birthdays to corporate meetings and everything in between, make your occasion more memorable with authentic Mexican fare from el Santo. Let us ease the stress of hosting; while we're in the kitchen preparing your custom menu, you can relax and enjoy the company around you.

el Santo offers full venue rentals, large party reservations, and offsite event catering. Our team is passionate about helping you create the perfect menu and atmosphere for your guests, customized to suit every event, whatever the style, size, or budget.

ABOUT US

Great catering is one of the most important elements of hosting a good event – it's what people remember. Since opening our doors in 2015, el Santo has prided itself on purchasing from local businesses, using wholesome sustainable ingredients and supporting the community around us. Both the bar program and food menu reflect the freshest ingredients found along the Pacific Northwest, with a unique Mexican twist.

We offer a wide selection of appetizers, individual plates, and family style meals for you to choose from. Our team is able to customize our dishes to accommodate dietary preferences and ensure a delicious meal for everyone.

THE RESTAURANT

el Santo is located in the up-and-coming downtown district of the historic New Westminster, a short walk from two SkyTrain stations and a beautiful riverfront boardwalk. The restaurant interior features warm lighting, modern abstract art, and a comfortable, lively, spacious dining area that is great for family-style dinners or stand-up receptions.

Make el Santo entirely yours for the evening. We offer the option of a full venue rental for groups who would like to use our location and services for their event.

THE FARE

Make food the main event. For smaller and more intimate gatherings, host an elegant event featuring a chef's table menu. Our executive chef, Sam Fabbro, will customize a multi-course dinner for you and your guests, featuring individual, beautifully plated, off-menu items presented personally by the chef. Our chef's table includes the option of beverage pairings.

THE BARTENDERS

el Santo is proud to have a team of experienced and talented bartenders on our staff. For each event, we create a custom bar menu with wine pairings and classic and personalized cocktails. We are able to provide bartending service for parties of all sizes, both in our restaurant and at offsite events; we'll bring the bar to you, glassware included, so you don't have to worry about a thing.
